**Subject:** CAG meeting attendance

Good Afternoon Joan,

I'm reaching out to let you know that Betsy and I discussed the recent conversations that the two of you have had, including her commitment that I attend the upcoming quarterly CAG meeting. Unfortunately, I will not be able to attend the CAG meeting this evening due to other commitments. However, I did want to let you know that it's a priority of mine to become more involved with the VB I-70 Site overall. Betsy and the EPA team have updated me on the concerns that have been raised and I'm committed to working with the
